Game Features: Embrace the Power and Speed of the New Generation FIFA™ Football Engine The most immersive, high-definition football gameplay in the series to date showcases 22 athletes playing in more than 1,000 on-the-ball interactions. Real-life techniques and sports, such as dribbling, trickery and overlapping runs make a decisive difference on the pitch. The new generation FIFA engine reacts to player, ball and goalkeeper movement in unprecedented real-time, providing players with a genuinely tangible difference in ball speed and direction in gameplay. FIFA™ World Cup™ — Global Event The 22nd edition of the FIFA World Cup™ promises to deliver the most immersive football experience yet, with a football for the modern era. FIFA 22 will introduce all-new gameplay features and delivers the essence of authentic football. As the pinnacle of the game’s global appeal, this year’s FIFA World Cup™ will pit the best footballing nations against each other for the right to be crowned World Champions. **Player and Coach Interaction — Lead to Real-Life Inspiration** FIFA 22 introduces player and coach interaction, allowing for on-the-fly player development, training and unique feedback for players to use directly within their game. The integration of the new player and coach interaction feature into the FIFA World Cup™ introduces a completely new dimension to the FIFA World Cup™ experience, as players will have a new way of developing themselves and their team in a closed-off, player-controlled environment. The FIFA World Cup™ is back and bigger than ever. **Interactive Atmosphere** FIFA 22 introduces new atmospheres, including the ability to create and customize a "Fan-Interactive Atmosphere" – an all-new weather system that reacts dynamically to player and crowd movements, and significantly changes conditions of play. The fan-interactive environment includes a new pulse meter which allows players and fans to dynamically sync their behavior in real-time to create a unique interactive atmosphere. The new atmosphere system reacts to player and crowd movement as they create a unique atmosphere in every stadium, allowing players to experience a real-life atmosphere even when not in-stadium. A new "Fan-Interactive Atmosphere" system is also available in the offline mode of FIFA Ultimate Team™. The FIFA World Cup™ is back and bigger than ever. Play at the FIFA World Cup™ Live & Official Experience Eight official venues, including six new stadiums

Unleash the next generation of football stars through the most authentic FIFA video game mode. Build the ultimate team with carefully crafted player cards and discover new ways to play with the most realistic transfers, dribbles and skills in the franchise. Choose from any position on the pitch and play one-on-one or lead your team through a variety of game modes and competitions in both online and offline play. Head-to-Head Mode - Traditional Head-to-Head gameplay is back with a new grid-based matchmaking system, improved AI and player models, and some new moves. Players will face teams of four in one-on-one games and be pitted against computer-controlled opposition in 3v3 match-ups. Games are played in a First to 4 point system with teams playing through different rounds until the final. At the end of the match, results are tallied as a score, which will be updated to the final score after the last player has been eliminated. Arena - Bring the Arena to life, and unleash your creativity. The Arena has been reimagined as a fully-functional arena in FIFA 22. Customize the stadium with all kinds of facilities, from the bottom up: from a small pitch to a pitch with 40,000 seats. Design your stadium around your team, supporting players, and the player cards you have, to play in your unique way. League Play and FIFA Ultimate Team - FIFA 22 introduces a brand new user interface, making the game's most important systems even easier to access and understand. League play remains the main way of playing and will include the exciting features of the FUT Draft, where fans have a chance to build dream teams of legendary players by picking first or second in the FUT Draft. FIFA Ultimate Team - The all-new FIFA Ultimate Team Draft lets fans create their dream team by taking the FUT Draft Station to the next level. This feature will offer fans a chance to pick players from leagues around the world, including the UEFA Champions League and Europa League, opening the door to a range of new ways to play. Introducing Legends: Legends is a new system that unlocks playable versions of your favorite real-life players in FIFA 22 for easy in-game use. Select any of your favorite players to become Legends and invite your friends to download those players through FIFA Ultimate Team. Share the excitement of the pitch as never before with new Player Challenge. If you've got what it takes
