Users can have their own branding, unlimited pages with unlimited photos in each page and more. Get it today for free. United Nations Support Mission in the Central African Republic UNSAC is a United Nations Support Mission in the Central African Republic (or MINURCA for short), with a limited mandate to assist the Central African Republic (CAR) Government in enhancing its capacity to maintain stability, create an enabling environment for reconstruction, and assist in the development of a renewed democratic political culture. Role UNSAC is a peacekeeping and political mission with a limited mandate to assist the Central African Republic (CAR) Government in enhancing its capacity to maintain stability, create an enabling environment for reconstruction, and assist in the development of a renewed democratic political culture. UNSAC is not a peacekeeping operation. Its mandate and functions are defined by the Security Council and are closely related to the work of MINURCAT and other United Nations peacekeeping operations. UNSAC was established to provide "technical assistance, including training and capacity building" and support the Government of the Central African Republic in improving its ability to address threats to security. It is also designed to assist the CAR Government "in the development of a renewed democratic political culture and the maintenance of stability." History United Nations Support Mission in the Central African Republic (UNSAC) has been in existence since its establishment in February 2013 by Security Council Resolution 2105. The Mission was set up with the
